PERFORMANCE MANAGEMENT

“Human capital is the most critical factor for the effectiveness, competitiveness and sustained success of all businesses and organizations. Securing, developing and utilizing this most important capital requires skilled executives with HR management expertise and competencies as well as leadership, decision-making, strategic and business thinking skills. The content of the postgraduate programme (MSc in Human Resource Management) as well as the training methods following the best practices worldwide, ensure the development of competent HR managers that businesses and organizations increasingly understand their necessity and usefulness. A particularly important element for the success of the programme is the mix of lecturers, consisting of distinguished academic Professors and senior executives with rich experience in the design and implementation of HRM policies, systems and functions. This makes the programme unique in Greece and internationally.

University of Greater Manchester

IN THE 30 BEST UNIVERSITIES IN THE UK! (Guardian 2024)

The public British university University of Greater Manchester (known until 2024 as the University of Bolton) has a long history and strong commitment to the provision of high-quality education. It was founded in 1824 as Bolton Mechanics' Institute, one of the first educational institutions in Great Britain. The University of Greater Manchester has managed to stand out for the quality of its teaching. The Times and Sunday Times Good University Guide 2023 ranks it first in North West England for teaching quality, the Complete University Guide 2024 ranks it first in student satisfaction, while the University held the 30th position according to the Guardian's 2024 ranking list of British Universities. Recently, the BBC highlighted the UNIVERSITY OF Greater Manchester as a model for the Universities of Britain regarding its operating standards for student safety during the Covid-19 pandemic, and the British Minister of Education Michelle Donelan, from the podium of the House of Commons, referred to the "amazing work the University is doing." New York College has a franchise agreement in accordance with the legislation of the Greek Ministry of Education, and the degree you will receive at the end of your studies is awarded by the University itself.

Greater Manchester's **No.1**
University for Student Satisfaction
for the last 6 years
