University of Greater Manchester

IN THE 30 BEST UNIVERSITIES IN THE UK!
(Guardian 2024)

The public British university University of Greater Manchester (known until 2024 as the University of Bolton) has a long history and strong commitment to the provision of high-quality education. It was founded in 1824 as Bolton Mechanics’ Institute, one of the first educational institutions in Great Britain. The University of Greater Manchester has managed to stand out for the quality of its teaching. The Times and Sunday Times Good University Guide 2023 ranks it first in North West England for teaching quality, the Complete University Guide 2024 ranks it first in student satisfaction, while the University held the 30th position according to the Guardian’s 2024 ranking list of British Universities. Recently, the BBC highlighted the UNIVERSITY OF Greater Manchester as a model for the Universities of Britain regarding its operating standards for student safety during the Covid-19 pandemic, and the British Minister of Education Michelle Donelan, from the podium of the House of Commons, referred to the “amazing work the University is doing.” New York College has a franchise agreement in accordance with the legislation of the Greek Ministry of Education, and the degree you will receive at the end of your studies is awarded by the University itself.

Greater Manchester’s **No.1**
University for Student Satisfaction
for the last 6 years
