

BA International Relations

Knowledge outcomes:

Upon successful completion of this program students will be able to:

- Show basic understanding of subject matter related to European Integration, International Economics, Ethnic Conflict, International Law and Diplomacy, Globalization, World Politics and the US, the Balkan Question, the Cyprus Question;
- Apply the subject matter critically and analytically in real situations;
- Comprehend the political, social, legal, regulatory, environmental and technological impacts on corporations, governmental affairs and organizations;
- Demonstrate a working knowledge of the European and American environment of corporations, business, governmental affairs and multi-cultural issues;
- Integrate the knowledge acquired in the program in order to develop a critical understanding of the political, economic, environmental and social issues intertwined in current affairs, whether locally, regionally or internationally; and
- Pursue postgraduate studies or professional qualifications in the field of International Relations.

Skills outcomes:

As a result of completing this program, students will have acquired the following skills and values:

- effective written and oral communication skills;
- analytical and critical-thinking skills necessary to remain active, dynamic and alert citizens;
- effective self-management; and
- self-awareness, openness and sensitivity to diversity in terms of people, cultures, business, public affairs and government.

Start Dates: October; February

Assessment: A variety of methods of assessing students progress are used including essays, reports, critical analyses, presentations, online assignments and discussions and proctored and open book examinations.

Possible Career Options:

This degree will enable you to adequately prepare for entry-level positions in government, multi-national companies, NGOs, media and politics, in Greece as well as the wider region. Most of our department's graduates have chosen to continue their studies at a higher level (MSc and PhD) so that they become more knowledgeable and experienced in the field of international relations, diplomacy, European Union, History, Political Science, Mediation and Intercultural Management.
