

BA/Communication

Knowledge outcomes:

Upon successful completion of this program students will be able to:

- › Show basic understanding of subject matter related to communications, mass media, public relations, advertising, corporations, law and ethics;
- › Apply the subject matter critically and analytically in real situations;
- › Comprehend the political, social, legal, regulatory, environmental and technological impacts on corporations, governmental affairs and organizations;
- › Demonstrate a working knowledge of the European and American environment of corporations, business, governmental affairs and multi-cultural issues;
- › Have a foundation in science and liberal studies as delivered through the General Education program;
- › Integrate the knowledge acquired in the program to analyze a business' internal and external relations to identify its strengths and weaknesses and to determine what changes can be made in the field of communication strategy for improvement;
- › Develop a communications and/or public relations plan; and
- › Pursue postgraduate studies or professional qualifications in the field of Communications and Public Relations.

Skills outcomes:

As a result of completing this program, students should have acquired the following skills and values:

- › excellent written and oral communication skills;
- › excellent use of communication methods, including public relations and advertising techniques;
- › demonstrate analytical and critical-thinking skills necessary to make sound business and personal decisions;
- › speech communication skills;
- › effective use of communication tools;
- › effective self-management in terms of time, planning and behaviour, motivation, self-starting, and individual initiative and enterprise; and
- › self-awareness, openness and sensitivity to diversity in terms of people, cultures, business, public affairs and government.

Degree: Bachelor of Arts (BA)

Area of Study: Cultural Studies

Concentration: Communication

Start Dates: October; February

Assessment: A variety of methods of assessing students progress are used including essays, reports, critical analyses, presentations, online assignments and discussions and proctored and open book examinations.

Possible Career Options:

For those of you who plan to go directly into the workforce, this degree provides you with the highly-valued communications knowledge and skills necessary to be successful in a variety of entry-level positions in the field of communications, including corporations, mass media, public affairs, and not-for-profit organizations. Students will have the skills to start their own small business.

The Greek/EU nationals may have the professional qualifications of their SUNY/ESC degree recognized by the Greek state authorities.
